## 1. Our Ethos, Vision and Values

# Every Child, Every Chance, Every Day!

- Pupils within our academy will always be our main priority, with personalised learning as our starting point.
- Every pupil will have the opportunities to expand their horizons, and build the confidence, talents, interests, skills and qualifications to succeed as they make their way towards a fulfilling and prosperous adulthood.
- The amount of time pupils spend in education is finite. We have a responsibility to ensure every moment a pupil/student is in an Exceed Learning Partnership Academy, must be spent productively. Once wasted, it is gone forever and cannot be given back.

Our values are central to our academy culture and ethos.

- 1.1 **INSPIRE** - All members of our organisation aim for excellence in their individual professional roles, in our innovative, evidenced-based practice and in our pupils so that we can all fulfil our potential in whatever we aspire to do or be!
- 1.2 **INCLUDE** - We are concerned with achieving equitable, diverse and quality education for all pupils. Social justice includes a vision of society in which the distribution of resources is equitable and all members are physically and psychologically safe and secure.
- 1.3 **INTEGRITY** - We always act with integrity. By allowing high levels of autonomy wherever possible, we are able to nurture personalised learning approaches and focus on developing holistic people.
- 1.4 **EXCEED** - Excellence and enjoyment should be an entitlement for all children and adults working in our Trust. We are developing cutting-edge, research-informed and highly engaging pedagogies that ensure high levels of progress and rapid development of staff; leading to the highest levels of achievement for all!

### Be Rules

The academy has four Be Rules, but the aim of the policy is not a system to enforce rules. It is a means of promoting good relationships, so that people can work together with the common purpose of helping everyone to learn. This policy supports the academy community in aiming to allow everyone to work together in an effective and considerate way.

**We will always:**

- 1. Be Safe**
- 2. Be Kind**
- 3. Be Respectful**
- 4. Be Ready**

We expect every member of the academy community to behave in a considerate way towards others. The academy rewards good behaviour, as it believes that this will develop an ethos of kindness and cooperation leading to intrinsic motivation by all. Regular assemblies, PSHE lessons and Circle Time also reinforce the message of making the right choices because this makes us good citizens within our community.

*Our Academy Motto —*

## 2. Roles and Responsibilities

### 2.1 Introduction

At Hill Top Academy, we fully support the rights of all members of our community to work, learn and play in a safe, supportive and stimulating environment. We believe that by working together, we can establish a climate where collaboration and partnership ensure the quality of learning is of the highest standard.

Staff teach children acceptable codes of behaviour, including our Four Be rules, our routines, expectations and the use rewards and consequences in line with this policy.

Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same.

We recognise that each individual child is at a different stage of social learning. Only through a consistent approach to supporting their behaviour will we be able to achieve an environment in which children can learn and develop as caring and responsible people. All members of our community must aim at all times to be good role models.

This policy outlines the underlying philosophy, purpose, nature, organisation and management of pupil behaviour at our academy.

### 2.2 Aims of this policy

- To provide a holistic environment where exemplary behaviour enables all to feel secure and respected within an atmosphere of learning without limits.
- Through collaboration encourage a stimulating and purposeful learning environment where all children thrive and flourish.
- To foster caring and tolerant attitudes which celebrate diversity and achievements in all areas.
- To encourage increasing independence, self-awareness and positive health and well-being.

- To promote a culture of positive behaviour through a balance of relational practice and staged approaches to consequences, sanctions and reward.
- To provide a clear guide for our children, staff and parents/carers on our behaviour expectations.
- To share good practice and support training to ensure consistency in the language we use and our approach to promote positive behaviour.
- To detail the systems and processes we use to report and respond to any occurrence of inappropriate behaviours for consistency, analysis and to plan effective support.

## 3. Key Principles

### 3.1 Curriculum

- Engaging pupils/students with learning is key. Offering a well-planned and personalised curriculum which inspires all learners is a fundamental preventative measure. As is ensuring that the curriculum consistently supports pupils'/students' health and wellbeing. We use a wide range of strategies to increase pupil/student engagement such as collaborative learning activities, promoting oracy in lessons and enabling pupils/students to shape and lead their learning.
- Our behaviour curriculum defines the expected behaviour we wish to see from children within our academy. At the start of every half term our staff focus with the children on our rules, expectations and daily routines for positive behaviour for learning to establish safe practice within the classroom and wider academy setting.
- Within our curriculum we support children's personal, social and emotional development staff are trained to recognise signs of trauma and loss with children. We know this for some children trauma and loss can trigger the emergence emotionally of anxiety, stress, anger and many more sensations in any child. The overall impact cannot be underestimated. We recognise that a child's behaviour following trauma and loss of any kind can quickly change and that this is also a way of communication. Our approaches to address and support trauma and loss in anyway focuses fundamentally on wellbeing and establishing secure positive relationships for good development of the child. Without this there will be no results that have true meaning and deep personal value to the child in terms of their preparation for adulthood.
- **Strong relationships** between children, staff and families **is the golden thread at the heart of our academy**, with this a **secure understanding** of each and every child and member of staff, (their

knowledge, understanding and skills) **recognising strengths** and **identifying the next steps to support their learning journeys**.

### 3.2 Environment

- The environment gives clear messages to pupils about the extent to which they and their efforts are valued. At Hill Top Academy we have set expectations of our environment in order to ensure practice is consistent.
- Within the environment children should be able to view the learning behaviours and the Be Rules as both will act as a reminder for the expected standards

### 3.3 Values

- Our values underpin our approach to behaviour. Conversations about behaviour with pupils and staff should always refer back to the values. We focus our communication on efforts and values shown, as opposed to achievements.

### 3.4 Relationships

- Positive relationships are key. Staff must be a constant presence around the academy, in-between classes, during breaks in the school day, and at lunch times in order to ensure that pupils are using the academy grounds respectfully and behaving appropriately. This will also support the building of positive relationships outside the classroom.
- When dealing with poor behaviour, we keep relationships in tact by focussing on the behaviour and not the pupil.

### 3.5 Consistency

- Consistent adult behaviours will lead to pupils consistently conforming to our expectations.
- A truly sustainable consistent approach does not come from a toolkit of strategies, but in the determination of every member of staff to hold firm. It is hard fought and easily lost. The key is to develop a consistency that ripples through every interaction on behaviour. Where learners feel treated and valued as individuals, they respect adults and accept their authority.
- At our academy we model consistency through the enactment of our behaviour blueprint.
- Language and response: Referring to the agreement made between staff and learners, simple and clear expectations reflected in all conversations about behaviour.
- Follow up: Ensuring 'certainty' at the classroom, leadership and whole school level. Never passing problems up the line, teachers taking responsibility, and being empowered, for behaviour interventions, seeking support but never delegating.
- Consequences: Defined, agreed and applied at the classroom level as well as established structures for more serious behaviours.

### 3.6 Motivation

- The use of praise in developing a positive atmosphere in the classroom cannot be underestimated. It is the key to developing good relationships, including with those learners who are hardest to reach. We praise the behaviours we want to see. The more we notice good behaviour/celebrate success the less we need to extrinsically reward it. It becomes just the way that we do things. We value the effort pupils put into demonstrating good behaviour and developing good relationships.

- Ways in which we recognise positive behaviour could include:
  - a) Weekly certificates (Principal awards linked to our learning characteristics)
  - b) Phone calls home
  - c) Sharing excellent learning with others, including half-termly parental proud assembly
  - d) Good news postcards
  - e) Proud points
  - f) House points and competitions
- The overuse of stickers and rewards creates a ‘reward economy’ where children will only do something for something. We want to encourage children to be motivated to learn, follow instructions and follow the rules because they know that is the right thing to do.
- For a minority of children, they may need more incentive and support to behave well. In these circumstances individual adjustments may be used, with a focus on earning a reward for behaving appropriately

### 3.7 De-escalation

- De-escalation of inappropriate pupil behaviour by staff avoids low level behaviours escalating and becoming more serious. For the vast majority of pupils, a gentle reminder may be all that is needed.
- For some pupils, de-escalation strategies would be recorded in their individual behaviour plan.
- When pupils are behaving in a way that is not appropriate, staff should use a range of strategies to support so that the pupil can get back on track without giving attention to the negative behaviour.
- Across our academy we use a range of strategies including:
  - a) Re-direction
  - b) Distraction
  - c) Humour
  - d) Non-verbal cues
  - e) Remaining calm, consistent and fair
  - f) Paying attention to the right behaviours

### 3.8 Language

- At Hill Top Academy we understand that common and consistent use of language around behaviour is essential in creating clear boundaries to learn how to behave. Conversations should follow a script and behaviours should be discussed as the behaviours they are, and not be personal to the pupil. Example conversation sentence stems are highlighted on our Behaviour Blueprint.
- Conversations around behaviour should be conducted, in the first instance, by the staff member taking the class/group. Correcting poor behaviour choices should be a private conversation to protect the dignity of the individual.
- Our language should promote responsibility through developing a growth mindset approach, providing choices and understanding consequences.

### 3.9 Routines

- Across our academy we teach the behaviours we want to see and practise these regularly with the pupils so they are clear about the expectations of them.
- Core routines at our academy include:
  - a) How we walk around the academy – *wonderful walking, lovely lines*

- b) Movement during transition periods e.g., carpet to tables, playground to classroom, corridors etc. – *lovely lines, terrific 123 transitions*
- c) Whole school count down from 5 for regaining class/group attention.

## 4. Roles and Responsibilities

### 4.1 Staff

- All academy staff must:
  - a) Display a relational approach to all pupils
  - b) Demonstrate unconditional care and compassion
  - c) Deliberately and persistently catch children doing the right thing and praise them
  - d) Know their classes well but also develop positive relationships with all children
  - e) Use these relationships to create a safe and stimulating learning environment that inspires pupils'/students' interests and learning
  - f) Create a culture in which it is safe to take risks with learning and where mistakes are regarded as opportunities for deeper learning
  - g) Relentlessly work to build mutual respect
  - h) Remain calm and keep their emotion for when it is most appreciated by pupils
  - i) Be a positive role model through the academy values and creating an ethos of high expectations for all
  - j) Follow and implement this policy consistently

### 4.2 Principal and the Senior Leadership Team

- The Principal and the Senior Leadership Team must:
  - a). Display a relational approach to all pupils
  - b). Demonstrate unconditional care and compassion
  - c). Be a visible presence around the academy
  - d). Regularly celebrate staff and pupils whose efforts go above and beyond expectations
  - e). Encourage use of positive praise, phone calls/notes home/certificates
  - f). Ensure staff training needs are identified and met
  - g). Use behaviour records to target and assess interventions
  - h). Support teachers in managing pupils with more complex or challenging behaviours
  - i). Ensure that this policy, as written, does not discriminate on any grounds, including, but not limited to, age, disability, gender reassignment, marriage and civil partnership, race, religion or belief, sex and sexual orientation.

### 4.3 Pupils

- All pupils must:
  - a). Demonstrate unconditional care and compassion
  - b). Consistently follow and model the academy values and enable a positive climate for learning by following the academy expectations and showing good learning behaviours.
  - c). Make a positive impact in the academy community and beyond through taking responsibility for their behaviours, actions and voice.
  - d). Follow the Be Rules: Be Kind, Be Respectful, Be Ready and Be Safe.

#### 4.4 Parents, carers and guardians

- All parents, carers and guardians must:
  - a) Help their child understand appropriate behaviours, academy values and expectations
  - b) Encourage independence and support children’s progress and development enabling positive self-image and pride in their achievements
  - c) Through positive relationships within the academy community, support a safe environment that prepares and ensures that pupils are ready for learning every day.

## 5. Staged Approach to Managing Behaviour

### 5.1 Outline

This section outlines the steps an adult should take to deal with poor behaviour. It includes micro-scripts for each step to ensure consistency in language and predictability for pupils which, in turn, results in all pupils being treated fairly. Staff should always use a measured, calm approach; referring to the pupil by name; lowering themselves to the pupil’s physical level (where appropriate) making eye contact; delivering the required message; and then leaving the conversation to allow the pupil ‘take up time.’ Adults should not be drawn into and/or respond to any secondary behaviour, which pupils sometimes use as a distraction from the initial behaviour or to escalate the situation further.

### 5.2 Response to behaviour

Step	Possible scenarios/behaviours	Response
Reminder	Fiddling/talking whilst someone else is speaking/swinging on chair/calling out/unkind words/improper use of equipment/disturbing learning/ refusal	De-escalation tactics e.g., move into the pupil’s view, use non-verbal cues, Rule reminders – use script Praise those who are doing the right thing Re-engage through re-direction Provide take up time <b><i>I noticed you chose to . . . .</i></b> <b><i>This is a reminder that we need to . . . (refer to class rule or value)</i></b> <b><i>Make a better choice please</i></b> <b><i>Thank you</i></b>

Warning	Behaviours continue	<p>Continue with de-escalation tactics and provide take up time</p> <p>I noticed you chose to . . . .</p> <p><b><i>If you choose to continue then you will owe 5 minutes.</i></b></p> <p><b><i>Do you remember when you (give an example of previous positive behaviour) that is the behaviour I expect from you. I know you can make the right choice. Thank you.</i></b></p>
Follow up	Behaviours continue	<p>Child needs a short period of reflection time (somewhere in the classroom/a paired class)</p> <p>5/10 minutes sitting alone to calm and reflect</p> <p>Reflection time should be made up during play/lunch</p> <p><b><i>I noticed you . . .</i></b></p> <p><b><i>You now need to . . .</i></b></p> <p><b><i>We can then speak in 5 minutes.</i></b></p> <p><b><i>Thank you</i></b></p> <p>For regular occurrences:</p> <ul style="list-style-type: none"> <li>● Discussion with Phase Lead and/or SENCO: consider Behaviour Intervention and/or additional support.</li> <li>● Begin monitoring to identify areas of concern / possible causes/ appropriate targets.</li> <li>● Parents contacted by teacher to inform them that behaviour is a cause for concern</li> </ul>
Follow up	Behaviours escalate • Offensive vocabulary	<p>Child needs to learn somewhere else</p> <p>Teacher to provide learning</p>

	Repeatedly disturbing the learning for many • High levels of aggression/emotion	Teacher to discuss with leadership appropriate consequence – could be the removal of a privilege/social time  <i><b>I noticed you . . .</b></i>  <i><b>You will now need to learn away from our classroom</b></i>  <i><b>I will speak to you about this . . .</b></i>  For regular occurrences:  <ul style="list-style-type: none"> <li>● Discussion with Phase Lead / SENCO / Principal as appropriate.</li> <li>● Parents informed of withdrawal by teacher or Phase Lead / SLT depending on nature of incident.</li> <li>● Meeting with parents to investigate possible causes / alternative strategies i.e., parents working alongside pupil/student, reduced school day, etc.</li> <li>● Consider referral to multi agencies i.e Behaviour Support / Ed Psych, etc.</li> </ul>
Repair		Follow up using restorative questions  <ul style="list-style-type: none"> <li>● <i><b>What happened? (Neutral, dispassionate language).</b></i></li> <li>● <i><b>What were you feeling at the time?</b></i></li> <li>● <i><b>How do you feel now?</b></i></li> <li>● <i><b>How did this make other people feel?</b></i></li> <li>● <i><b>Who has been affected? What should we do to put things right? How can we do things differently?</b></i></li> </ul>
<p>*Remember it's not the severity of the sanction, it's the certainty that this follow up will take place that is important.</p> <p>Some behaviours may result in an immediate need for follow up. At our academy, these behaviours include:</p> <ul style="list-style-type: none"> <li>● Hurting someone else</li> <li>● Causing damage to school property</li> <li>● Inappropriate language</li> </ul>		

### 5.3.1 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the academy. This means misbehaviour when the pupil is:

- Taking part in any academy-organised or academy-related activity (e.g. academy trips)
- Travelling to or from the academy
- Wearing the academy uniform
- In any other way identifiable as a pupil of the academy

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the academy
- Poses a threat to another pupil
- Could adversely affect the reputation of the academy

- Sanctions will only be given out on academy premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on an academy-organised trip).

### 5.3.2 Online misbehaviour

- The academy can issue behaviour sanctions to pupils for online misbehaviour when:
  - It poses a threat or causes harm to another pupil
  - It could have repercussions for the orderly running of the academy
  - It adversely affects the reputation of the academy
  - The pupil is identifiable as a member of the academy
- Sanctions will only be given out on academy premises or elsewhere when the pupil is under the lawful control of a staff member.

### 5.3.3 Suspected criminal behaviour

- If a pupil is suspected of criminal behaviour, the academy will make an initial assessment of whether to report the incident to the police.
- When establishing the facts, the academy will endeavour to preserve any relevant evidence to hand over to the police.
- If a decision is made to report the matter to the police, the Principal or a member of the Senior Leadership Team will make the report. The academy will not interfere with any police action taken. However, the academy may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.
- If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

### 5.3.4 Malicious allegations

- Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the pupil in accordance with this policy.
- Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the academy will consider whether to discipline the pupil in accordance with this policy.
- In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the academy (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.
- The academy will also consider the pastoral needs of staff and pupils accused of misconduct

### 5.35 Zero tolerance approach to sexual harassment and sexual violence

- The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.
- Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be. The school's response will be:
  - a). Proportionate
  - b). Considered
  - c). Supportive

- d). Decided on a case-by-case basis
- The trust/academy have procedures in place to respond to any allegations or concerns regarding a child's/young person's safety or wellbeing. These include clear processes for:
  - a). Responding to a report
  - b). Carrying out risk assessments, where appropriate, to help determine whether to: -  
Manage the incident internally
    - Refer to early help
    - Refer to children's social care
    - Report to the police
- Please refer to Trust/academy child protection and safeguarding policy for more information.

#### 5.4 Repeated or persistent misbehaviour

- At Hill Top Academy we are aware that there are experiences in school that can trigger patterns of behaviour. These triggers may relate to learning, relationships, changes at home or at school, special educational needs or attachment difficulties.
- Therefore, we record inappropriate behaviours on CPOMs, so we can:
  - a) Increase our awareness and identify patterns
  - b) Recognise potentially disruptive situations and attempt to minimise them
  - c) Target key pupils/students for the appropriate intervention
- Senior leaders in the academy will regularly analyse data linked to behaviour to inform their actions across the academy.

#### 5.5 Serious Incidents

- Occasionally, some pupils may behave in an extreme way which is out of character for them. Unacceptable behaviours may be expedited through our system in order to be dealt with more quickly by a member of SLT. If this occurs, a focussed meeting involving SLT and the staff members will be arranged to discuss what happened.
- However, it is important to maintain that all adults can deal with these types of behaviour. Unacceptable behaviours that may be escalated include:
  - a) Violence (i.e., physical contact made with the intention to harm)
  - b) Defiance that becomes dangerous
  - c) Persistent taunting, teasing and bullying behaviour
  - d) Stealing
  - e) Spitting
  - f) Swearing
  - g) Discriminatory language or harassment (i.e., behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals. For example, due to age, disability, gender, race, religion or belief or sexual orientation)
- We have the right to take measures to keep pupils and staff safe. These measures include:
  - a) The legal right to confiscate inappropriate items from pupils such as mobile phones.
  - b) Statutory powers to discipline pupils who behave poorly outside of the academy.
  - c) Greater scope and flexibility in giving pupils detentions, which may include after school detentions. If the academy feels after-school detention is an appropriate consequence, parental agreement will be sought. However, under the new guidelines, pupils can receive detention outside academy hours without parental consent, although 24 hours' notice to parents is necessary.

- d) The Principal has the power to search groups of pupils if they suspect one of them is carrying a knife or other offensive weapon.
- e) A legal duty on academies to make provision to tackle all forms of bullying.
- Every serious incident will be assessed individually on a case-by-case basis and the ultimate decision and discretion regarding the consequence lies with the Principal.

## 5.6 Consequences

- Consequences should:
  - a) Be linked to the behaviour and be reasonable and proportionate in response to the action
  - b) Make it clear that unacceptable behaviour affects others and is taken seriously
  - c) Not apply to a whole group for the activities of individuals
  - d) Be consistently applied by all staff to help to ensure that pupils and staff feel supported and secure.*(See appendix staged approach to consequences)*

## 5.7 Discrimination towards protected characteristics

- At Hill Top Academy we take any behaviour of a discriminative and offensive nature towards the 9 protected characteristics (whether intended or in 'jest') extremely seriously and is not tolerated. The protected characteristics are: a)
  - Age
  - b) Disability
  - c) Gender reassignment
  - d) Marriage and civil partnership
  - e) Pregnancy and maternity
  - f) Race
  - g) Religion and belief
  - h) Sex
  - i) Sexual orientation
- Behaviour of this nature will be dealt with by an appropriate member of staff, this would usually be the Principal or Vice Principal, who will fully investigate the incident.
- Support will be provided for the victim immediately and restorative work between the victim and the perpetrator to take place when appropriate. The victim's voice including wishes and feelings will be captured and recorded.
- The senior leader will make contact with the families of those involved and inform them of the incident and the outcome.
- The incident will be record on the pupil's file via CPOMs. If this behaviour is repeated, then a meeting with parents and Trust Leaders may be arranged to discuss the seriousness of the behaviour.

### 5.7.1 Inclusion

- Whilst all children identified with SEN and/or disabilities are covered under this behaviour policy, we recognise that these children often require support which is different from, or in addition to, that required by their peers in order to take full advantage of the educational opportunities available to all pupils.
- Pupils with cognitive and physiological difficulties are more likely to have an impaired emotional regulation system and sometimes this is compounded by communication, sensory and motor difficulties as well as by a wide range of environmental factors. Responses to these difficulties should be supported and planned as part of a multi professional approach within schools.

## 5.8 Restorative practice

- A restorative approach enables the academy to resolve conflicts, improve behaviour and develop well-rounded individuals.
- The principles of the restorative approach are based on an understanding and acceptance that conflict is a part of life, and that in conflict there is an underlying damage to all parties involved that needs to be addressed to resolve the issue and prevent any further incidences of the same nature.
- Restorative justice techniques are used to positively resolve conflict that arises in the classroom and the playground in order to uphold a positive learning climate.
- This should take the form of a coaching conversation. It should take place at the earliest opportunity, before the two parties are scheduled to meet again.
- Staff will have a script for the restorative conversation that they feel comfortable with.  
An example of a script for a restorative conversation is:
  - a) What happened and why they made the choice to behave like that?
  - b) Who was affected by their behaviour?
  - c) What could have been done differently, what would they do to avoid the same situation happening again?
  - d) What you could the other party have done differently?
  - e) Agree strategies, goals, targets for the future

## 5.9 Positive handling

- We recognise that their behaviour is a way of communicating their emotions. When dealing with a pupil in crisis, they may need physical intervention. Any physical intervention used by staff should be in accordance with the idea of 'reasonable force', and only be used as a last resort once all other strategies have been exhausted.
- 'Use of reasonable force' guidance, 2013, is non-statutory advice from the Department for Education. This guidance advises that: Reasonable force can be used to prevent pupils from hurting themselves or others, from damaging property, or from causing disorder.
- There is no legal definition of legal force. However, there are legal justifications for the use of force. These include if the pupil is:
  - a) In danger of hurting themselves
  - b) Endangering the safety of others
  - c) Disrupting the good order of the classroom
  - d) Destroying property.
- The use of force can only be reasonable if the circumstances to the particular incident warrant it and the degree of force used is proportionate to the degree of challenging behaviour presented or the consequences it is intended to prevent.
- Whenever physical intervention/restraint is used the incident must be recorded using the incident recording log format (*see appendix 2*) All staff involved in the incident (including witnesses) must contribute to the record and the report must be completed as a matter of urgency (by the end of the academy day at the latest). Parents will always be informed. Incidents that require the use of physical interventions/restraints can be very upsetting to all involved and may result in injuries to pupils/students or staff. Until an incident has subsided, it is essential to reduce risk of re-escalation and to ensure the situation remains calm. Staff should avoid saying or doing anything that might inflame the situation during the recovery phase.

- Pupils should be given time and space to calm down after an incident and when ready, reintegrated back into their timetable as soon as possible. Staff should also be offered a short break out of the classroom where possible after an incident. It is important to ensure that staff and pupils are given emotional support and basic first aid treatment for any injuries. Immediate action should be taken to ensure that medical help is accessed for any injuries that require it other than basic first aid. All injuries should be reported and recorded on an accident form and in the accident log book.
- All staff using physical restraint as part of their daily role will be appropriately trained and will refresh this training on a regular basis. Where a pupil has been restrained a 'positive handling plan' will be written to support future behaviour (*see appendix 3*)

## 6. Suspensions and Exclusions

### 6.1 Fixed term suspension

- In order for pupils to achieve their maximum potential in the academy, they must feel safe. If a pupil significantly breaches the academy's behaviour policy and if the pupil remaining in the academy would seriously harm the education or welfare of the pupil or others in the academy, the Principal may take the decision to suspend for a fixed period.
- If this decision is taken, work will be set for the pupil to complete at home. Following a fixed term suspension, the pupil and parents meet the Principal to discuss the pupil's reintegration to school and the best way forward to support the pupil. Each day is a new day and where a pupil has transgressed it is expected that they will be welcomed and treated without any resentment when they return.

### 6.2 Managed Moves

- Pupils who continue to experience behavioural issues may be offered a managed move. This will involve the pupil moving to another school/academy. This policy may be used as an alternative for a pupil who is at risk of permanent exclusion. In these cases, the pupil continues to be on roll at the Academy. Managed moves take place for a fixed period of time, at the end of which there is a review and the pupil may be taken on roll at the new school.
- A managed move is carefully considered prior to working in partnership with other local schools. If a pupil's behaviour is deemed dangerous or consistently unacceptable then a managed move will be skipped/ not put in place. If behaviour continues to escalate then a BOSS referral and/or Inclusion panel will be made to the local authority. If a managed move is unsuccessful a pupil will return to the academy or, if the move was used to avoid a permanent exclusion and concerns persist in regard to the pupil impacting on the health, safety and well-being of our community, permanent exclusion may be invoked.

### 6.3 Permanent Exclusion

- Permanent exclusion should be seen as the very last resort and, as such, we would take all reasonable steps to avoid this type of exclusion. All policies and procedures are in place to support inclusion of all pupils. Permanent exclusion should only occur when a risk assessment indicates that to allow the pupil to remain in the academy would be seriously detrimental to the education or welfare of the pupil concerned, or to other pupils at the academy.

## 7. Banned and prohibited items

### Prohibited and banned items:

Please refer to the DfE guidance: Searching, screening and confiscation: Advice for schools (2022) accessed via: [https://assets.publishing.service.gov.uk/media/62d1643e8fa8f50bfbefa55c/Searching\\_Screening\\_and\\_Confiscation\\_guidance\\_July\\_2022.pdf](https://assets.publishing.service.gov.uk/media/62d1643e8fa8f50bfbefa55c/Searching_Screening_and_Confiscation_guidance_July_2022.pdf)

According to the DfE, prohibited items are:

- knives and weapons
- alcohol
- illegal drugs
- stolen items
- any article that the member of staff reasonably suspects has been, or is likely to be used:
  - to commit an offence, or
  - to cause personal injury to, or damage to property of; any person (including the pupil).
- tobacco and cigarette papers
- fireworks
- pornographic images

In our academy the following items are banned:

- Electronic cigarettes including vapes
- Chewing gum
- Flammable items such as spray deodorant / hair products
- Energy drinks and high sugar confectionary

## 8. Conclusions

### 8.1 Monitoring arrangements

- The Principal is responsible for reporting to the local governing board on how the policy is being enforced and upheld, via the termly report.
- The governors are in turn responsible for monitoring the effectiveness of the policy via the termly report and by in-school monitoring such as learning walks and focus groups with pupils.
- The policy is reviewed every 12 months
