Year 2 Educational Visit – Doncaster Gallery, Library and Museum

Dear Parents/Carers,

We are excited to let you know that Year 2 will be visiting Doncaster Gallery, Library and Museum on Wednesday 25th November 2026 as part of our learning this term.

During our visit, the children will take part in two exciting workshops:

- Discovering the Journey of Rail – the children will explore the journey and history of rail transport, helping to develop their understanding of how transport has changed over time.
- Programming Our Own Vehicle – the children will have the opportunity to explore programming and use their problem-solving skills to programme their own vehicle.

The children should come to school wearing their full school uniform. They will not need any spending money for the trip.

Please ensure that your child brings a packed lunch and a drink with them on the day. If your child is entitled to a free school meal, please let us know if you require a packed lunch to be provided by school via ParentPay. We ask for a contribution of £20.00, no later than 16th November in order for your child to attend, the school has subsidised part of the visit to help parents with the cost. Please be advised that payment is non refundable as we have to make a payment to the venue to secure our booking.

We will leave school at approximately 9:30am and aim to return to school at around 3:00pm. Please be aware that these times may vary slightly depending on traffic and the timings of our workshops.

Thank you for your continued support.

Yours faithfully

G Woods
