Re: School Visit to The National Space Centre - Tuesday 17th March 2026

Dear Parents/Carers,

We are delighted to inform you that Year 5 have planned an exciting educational visit to The National Space Centre on Tuesday 17th March 2026. This trip will be a fantastic opportunity for the children to explore space and science through interactive exhibits and a specially designed workshop.

To ensure we make the most of our day, the coach will depart from school promptly at 8:30 am, so we kindly ask that all children arrive at school by 8:15 am for registration. We expect to return to school by approximately 4:00 pm, subject to traffic conditions.

The cost of the trip is £27.50 via ParentPay, which covers entrance to the centre, the workshop, and travel expenses. Payment should be made via ParentPay no later than Monday 9th March 2026.

Important Information:

- Children must wear full school uniform.
- They will need to bring a packed lunch. If your child is in receipt of Free School Meals, the school can provide a packed lunch – please indicate this on ParentPay.

If you have any questions, please do not hesitate to contact the school office.

We look forward to an inspiring and enjoyable trip!

J Hissey
