Subject: Help Us Design Our New School Logo!

Dear Parents and Pupils,

We are excited to announce an opportunity for you to contribute to the creation of a new logo for our Academy!

A logo is a vital part of building a positive image, promoting our school, and fostering a strong sense of the community. It will help us visually represent the unique identity and values that define our school.

Our ethos should be at the heart of the design. The logo should reflect these values and serve as a symbol of pride for pupils, staff, and parents alike. We would like to use a new motto within the design – a simple strap line to fit within the logo.

We would love for you to get involved in this process! Whether you're sketching ideas, creating digital designs, or simply sharing your thoughts, your input is incredibly valuable. This is a chance for us to work together to create something meaningful that represents who we are as a community.

Please submit your designs or ideas to class teachers by the 27<sup>th</sup> September, and feel free to reach out with any questions. We can't wait to see your creativity shine!

Thank you for being a part of this exciting project.

Warmest regards,

Mrs Clark  
Principal
