Dear Parent/Carer

Nursery Visit to Rand Park Farm - Friday 19th June 2026

As part of our topics on Growing and Life Cycles, we are excited to offer our Nursery pupils the opportunity to visit Rand Park Farm on Friday 19th June 2026.

During the visit, children will take part in a range of age-appropriate activities including animal handling, milking demonstration, and a tractor and trailer ride. This is a fantastic hands-on learning experience, helping children understand more about animals and farm life.

Important Information:

Parent/Carer Attendance: Each child must be accompanied by one parent or carer, who will be responsible for supervising them throughout the day. This is a great chance to enjoy a memorable day out with your child.

Travel Arrangements: We will travel by coach, departing school promptly at 8:45am. Please arrive at school by 8.15am for registration and toileting.

Return Time: We aim to return to school by approximately 3.15pm, depending on traffic.

Lunch: All children will need to bring a packed lunch and water bottle. Adults may bring their own lunch or purchase food from the on-site café, which offers a variety of hot and cold options.

Clothing: Children may wear non-uniform, but please ensure they are dressed appropriately for the weather and outdoor activities. Suitable footwear, a coat, and sun protection (suncream and hat) are recommended.

The cost of the trip will be £38, this includes entry for one child and one accompanying adult, a bag of animal feed, insurance and transport to and from the Farm, a non refundable payment must be made via ParentPay no later than Monday 1st June 2026.

We look forward to a wonderful and educational day at the farm.

Yours faithfully
Mrs Chilton
