**Reference: Year 4 trip to Austerfield Study Centre**

Dear Parent/Carer,

We are excited to let you know that children in Year 4 will be taking part in an educational visit to Austerfield Study Centre on Monday 29th June 2026. The trip is designed to enhance learning in both Geography and Science, offering hands-on experiences in a rich outdoor environment.

**Trip Details:**

- **Departure:** 9:00am from school (please ensure your child arrives promptly)
- **Return:** Approximately 2:30pm – children will be back in school in time for the usual 3:20pm pick-up
- **Travel:** By coach
- **Lunch:** Please provide a packed lunch and drink
- **Clothing:** Children should come to school in their outdoor clothing and suitable footwear are essential

We kindly ask that children also come prepared with suncream and a sun hat, this will help ensure they are safe and comfortable while spending time outdoors.

The cost of the trip is £18 Payable via ParentPay, no later than Monday 22nd June 2026.

This trip promises to be both educational and enjoyable, offering a fantastic opportunity to explore and learn outside the classroom. Thank you for your continued support in helping us provide enriching experiences for our pupils. If you have any questions or need further information, please feel free to contact the school office.

Yours faithfully

*J Wilson*
